

Regulation (EC) N 1907/2006: REACH

Art. 33 – Duty to communicate safe use information or responding to customer requests  
Candidate list of substances of very high concern.

Hereby we state that our company is in line with the provisions and adjustments required by REACH REGULATION and those products:

Sublimated lanyards  
Bandanas  
Event wristbands  
Luggage belts  
Ribbons  
Promotional cleaning clothes  
Promotional mousepads  
Keychains  
Deck chairs  
Shopping bags  
Gym bags

The updated Candidate List table is present in: [www.echa.europa.eu /candidate-list-table](http://www.echa.europa.eu/candidate-list-table)

NONE of the products contains intentionally one or more substances of very high concern included in the candidate list, which is actually updated on 25/06/2025 (current number of substances in the candidate list = 250)

The above declaration is valid until the next update of the Candidate List (usually every 6 months) and if no changes are possible formulae or legislation reach us.
