

Take it easy

Dye-sublimated promotional items.

About products

Extremely durable dye-sublimation printing, reproducing a full palette of color on items such as lanyards, event wristbands, bandanas, cleaning cloths, deck chairs, and many others.

Sustainable development is a priority - using recycled materials, offering eco products and packaging, using green energy, having excellent recycling standards and avoiding environmentally harmful substances.

Our CSR

- 80% Green Energy used for production
- Certified materials (Reach, Oekotex, GRS, others)
- Plastic parts (buckles, safety breaks, etc.)
are produced from recycled or renewable materials
- Human Resources Code of Conduct
- Waste management
- Carbon footprint awareness (CO2)
- Made in Poland

Our Advantages

- Experience in dye-sublimation print
- Even 24h production
- Even 24h delivery
- Free 3D visuals and samples with your logo

Light and quick-drying towel, made of soft and pleasant to touch microfiber which absorbs liquids 5x faster than traditional towels. After folding, it takes up little space, making it perfect for the gym, swimming pool, holidays and traveling. The towel is also useful at home as a cleaner for windows, induction hobs and for removing dirt and dust from your favourite artists vinyl, because it leaves no traces.
