Collections

Classic

Take it easy

This timeless, Classic Collection is all about quality. Not only are all of these products top-notch, but also available at lightning speed (standard production time - 2 business days).

Classic lanyard models are loved for their practicality, high-quality sublimation, vibrant colors, and impressive durability.

Reflect

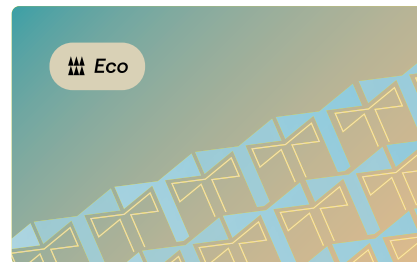

Take care, stay safe

Reflective strips or threads in the lanyard tapes and bandana materials are designed to enhance visibility at night. This makes them the perfect choice for those who appreciate practical solutions and want to feel safer during everyday walks, evening runs, or other outdoor activities.

Explore Reflect Collection and ensure safety in challenging conditions.

Eco

Take a stand for tomorrow

The promotional lanyards from the Eco Collection are made from recycled materials and natural resources such as cotton, bamboo, cork, and even paper. Their buckles are also produced from eco-friendly materials like straw or corn.

By choosing this collection - 80% of which is powered by solar energy - you actively contribute to environmental protection. Show that you, too, care about the future of our planet.

Types of printing

The number 4 symbolises full-colour printing, while zero represents no colour – in this case, the lanyard is simply white.

In the table, you will find a graphic overview of the different printing types.

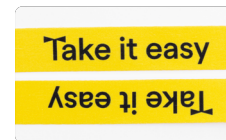

4/0 One sided printing

Full color print only on the front.
The back remains white.

4/4 double sided, not positioned printing

Full-color printing on both sides.
Printing on both sides does not overlap.

4/4 double sided, positioned printing

Full-color printing on both sides.
Printing on both sides overlap.
